7701 Tuckerman Lane, Bethesda, Maryland
(Read below about this new location!)

**NEW
LOCATION**

Who: Everyone!

We hope you and your families, neighbors and friends will join us to celebrate St. James' Day and fellowship with each other. (But no pets at this location.)

Picnic Food: Food is not catered or potluck. Instead, we encourage each member/family to pack their own full picnic to enjoy—whether that's sandwiches packed on ice waiting in your car, or a bucket of fried chicken picked up on your way. Don't forget plates, napkins, and beverages!

New Location: This year we'll be in the private group picnic area. The property includes two covered shelters (with 40 picnic tables), four large charcoal grills, restrooms, a ballfield, horseshoe pits, a volleyball area, and a small playground. After bellies are full, kids of all ages can take full advantage of our private space. Please bring sporting equipment, outdoor games, instruments, or anything else you can think of!

Parking and Pets: There is limited parking (34 spaces) at the group site. We encourage you to carpool from the church. Pets are NOT permitted at the private picnic area.

Fun and fellowship await!
