Let's Hoop It Up!

Think you know who will take the crown in this year's NCAA March Madness basketball tournament?

You can join the St. James' bracket this year! Make your picks (instructions below), then kick in \$10 per bracket you enter by making a check payable to St. James' Episcopal Church with "March Madness" in the memo line, or bring cash in an envelope marked with "March Madness" and your name.

The winner will decide which organization or charity will get the pot!

(You'll pick from a list of groups who have received support from St. James' in the past; the list appears below.) **EVERYONE is welcome to play.**

Let's have fun and do some good at the same time! Here's how to join:

1. Go to **St. James' Bracket**, or visit CBS Sports' 2019 Bracket Games and search for our group: St. James Episcopal
2. Log in with your existing CBS Sportsline ID, or create a new one.
3. You can enter up to five brackets. Please make sure to name your entry as "[Your name] [and bracket number (sequentially)]," e.g., "Doug Heffner 1" and "Doug Heffner 2."
4. **Complete your bracket online by Wednesday, March 20** or send it to Doug Heffner (paper copy or email, douglas.heffner@dbr.com). Brackets will be locked on Thursday, March 21 at the start of the first game.
