

## 60 Backpacks to Fill on Sunday, July 28

**Bring the family for a fun and quick backpack-stuffing party during fellowship hour in the parish hall!**

Remember the excitement you felt when you went back-to-school shopping and bought new pencils, markers, crayons, pencil box, paper, and backpack?

With your support we can provide children in need with that same feeling. St. James' will donate 60 backpacks filled with school supplies to **Bayard Rustin Elementary School** for local families in need.

**Fill a backpack on Sunday, July 28!** Please bring the family for this quick and fun service activity in the parish hall after the 10:30am service.

### **Donations and Supplies for Next Year's Backpack Drive**

We have shopped for sales and bought supplies in bulk. On average, each filled backpack costs \$30, for a total of \$1,800.

St. James' is currently collecting donations for the 2020 backpack drive so we may continue this ministry.

Please make a donation toward next year's backpacks and supplies. Checks should be made to St. James' Church with "M&O backpack drive" noted in the memo line.
