

Imaginative Prayer Stations

Saturday, December 3
9:30 to 11:30 a.m.

Advent is the season when we prepare ourselves to draw close to the God who draws close to us. To create space for this holy work, St. James' will hold an Advent Quiet Day in the sanctuary from 9:30-11:30 a.m.

The Rev. Amanda Akes-Cardwell, diocesan Missioner for Faith Formation and Development, will facilitate the quiet day. Our time will be bookended by communal prayer, in between which individuals are invited to participate in imaginative, hands-on prayer stations.

Carve out time this Advent season to pray creatively in anticipation of God in flesh appearing.
