

# Sunday School at St. James'

Our Sunday School is learning about Jesus and God's abundant love, using the *Weaving God's Promises* Sunday School curriculum.

## 10:30 a.m. Sundays!

Children preschool through grade five are invited to join us in the church undercroft. Children will return to their families in church for the Eucharist.

### Christian Education

We will be telling the sacred story, with special emphasis on the life and teachings of Jesus. This year we're reading the Gospel of Matthew, focusing on the Kingdom of God and our Episcopal tradition and faith.

### Activities & Service

Each month we'll explore ways to apply Christian principles to our lives with prayer, outreach, service, activities, and crafts.

### Music!

Every fourth Sunday, we will celebrate with music. Children will learn to play instruments and sing songs, tying in what they have learned during the month with our musical tradition.

We welcome our children to a fun and exciting year!
