

Easter Checklist

Final - April 17, 2024

8:00 Service

- Set up with silver (½ cup wine, small chalice with individual grape juice cups).
- 50 wafers

10:30 Festival Service

- Set up with silver like a normal service (2-½ cups wine, 2 small chalices with individual grape juice cups).
- 225-250 wafers, as many as you can fit into the silver ciborium, with extra wafers left on the counter if needed.

Additional service set up

- Change altar hangings to the white (floral brocade) altar vestments
- The cross above the altar is draped in white
- The Paschal candle is placed in the center, in front of the altar. Make sure it is filled.
- Put out the baptismal font in front of the altar, in the center of the aisle. Use the large shell insert and add blessed water. If there is no blessed water available, fill with tap water and a priest will bless on Sunday morning.
- Make sure all candles are filled
- Replace sanctuary candle in the holder beside the ambry
- Replace altar party hymnals and prayer books
- Set a sleeve of unconsecrated wafers on the sacristy counter in case extra are needed

All other set up as normal

After Easter services

- Restock the Priest's communion kits (3), using consecrated wine and wafers from Easter services.
- Leave the Paschal candle out through Pentecost. Fill it weekly.
- Leave the white drape on the cross above the altar until Pentecost. (In 2024, Pentecost Sunday is May 19)
