What's it all about?

The Bible says God grows nine special “fruits” in our hearts: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Each Sunday this summer, we’ll explore one of them—and by the end, kids will know all nine!

Don't miss Harvest Sunday, August 30!

It's a parish-wide celebration with food, music, and a chance for our kids to share what they've grown all summer. Parents, family, and the whole congregation are invited!
